

## TRANSLATORS

The Background Check and the Medical Certificate, if not issued in Spanish, must be translated by a Spain Sworn Translator "Traductor Jurado" or by a Certified Translator in US. In this case, the translation must be legalized with the Apostille of the Hague.

The following translators, included in the list of the Ministry of Foreign Affairs and Cooperation's Sworn Translators, are based and operating in the US. This list is not exclusive; you may find additional translators in the Ministry's web page, the local yellow pages or in internet.
