

## TEMPORARY TAX IDENTIFICATION (NIF) FOR SPANISH CITIZENS LIVING ABROAD AND FOREIGN COMPANIES

Generally speaking, the Tax Identification Number (NIF) for Spanish citizens is the number on the [National Identification Document \(DNI\)](#). For Non-Spanish citizens, is the [Foreigner Identification Number \(NIE\)](#). Both documents, (DNI and NIE) are issued by the Spanish Ministry of Interior.

Taxpayers must include the NIF in every document that has any implication for the Spanish taxation system (tax returns, bank accounts, contracts, deeds, etc.). If you do not have NIF, you must apply for it.

There are four cases in which it is possible to apply for a NIF directly with the AEAT (Spanish Tax Agency), instead of applying for a DNI/NIE with the Ministry of Interior:

- For Spanish citizens under 14 years old.
- For Spanish adults with residence abroad or temporary in Spain for a period no longer than 6 months, with no valid DNI in force.
- Foreigner individuals not allowed to apply for a NIE.
- Foreigner or Spanish companies (the NIF assigned will not be temporary, as in the cases above).

Those persons living abroad that have not a DNI/NIE in force can apply at this consulate General for a TEMPORARY NIF (cases 1st to 3rd) or a DEFINITIVE NIF (case 4th) in order to be able to perform the operations that so require.
