

## STUDENT VISA APPLICATIONS

### Documents required at the Embassy of Spain

#### Studies under 90 days (Schengen Uniform Visa - code EST):

- Visa Application.
- 1 passport size picture.
- Passport (needs to be valid until three months after the date the stay in Spain will end).
- Photocopy of the passport bio page and the Schengen visas of the last 3 years.
- Letter of admission to the Spanish Educational Centre and any other additional document that can serve as a proof of the purpose of the visit.
- Documents that prove their ties to Jordan and the economic means to sustain themselves:
  - o Certificates from the studies they are doing in Jordan.
  - o Banking statement of the last 3 months of a banking account of the applicant or their direct relative that provides them with economic support.
- Financial means: proof of economic means to sustain themselves during the period of their stay (banking statement by themselves or by their sponsor – i.e. family relative). If part or all expenses are covered by a student grant they need a proof of having received the grant (letter stating the scholarship and the amounts).
- Proof of travel plans (flight ticket and hotel reservation/student accommodation).
- Health insurance for the time of their total period of stay in Spain.
- If the student is under 18 years old a parental authorisation for the specific purpose of the trip.

#### Studies above 90 days but under 180 days (visa code SSU):

- Application form.
- 1 passport size picture.
- Passport (needs to be valid until three months after the date the stay in Spain will end).
- Photocopy of the passport bio page and the Schengen visas of the last 3 years.
- Letter of admission that shows the duration of the studies in:
  - o An official educational centre in Spain that is authorised to carry on full time programs that lead to a degree, title or certificate of studies.
  - o An official research or training centre.
- Documents that prove their ties to Jordan and the economic means to sustain themselves:
  - o Certificates from the studies they are doing in Jordan.
  - o Banking statement of the last 3 months of a banking account of the applicant or their direct relative that provides them with economic support.

- Financial means: proof of economic means to sustain themselves during the period of their stay (banking statement by themselves or by their sponsor – i.e. family relative). If part or all expenses are covered by a student grant they need a proof of having received the grant (letter stating the scholarship and the amounts).
- If the student is under 18 years old a parental authorisation for the specific purpose of the trip.
- Official medical certificate that states that the candidate does not suffer any of the illnesses that have a significant repercussion in de public Health according to the International Health Guidelines of 2005 (see attachment).
- Certificate from the Ministry of Justice (no criminal record)
- Certificate from The General Intelligence Department (applicant not sought after by public institutions)

The last three documents (medical certificate, Ministry of Justice certificate and GID certificate) should be legalised from the appropriate authorities and the Jordanian Ministry of Foreign Affairs. Then those documents should be translated into Spanish. Original and copies of these three documents should be submitted with the visa application. If the applicant has lived in other countries in the last five years they need criminal records from those countries.

Health insurance for the time of their total period of stay in Spain has to be presented after the approval of the visa together with a return direct flight ticket.

**Studies above 180 days (visa code SLU):**

Same requirements for a SSU visa.

As with SSU health insurance for the time of their total period of stay in Spain has to be presented after the approval of the visa together with a flight ticket. The flight ticket can be a one way ticket but it needs to be direct, since the visa is a National Spanish visa.
