

Family grouping (with a non EU national)

Due the Spanish law, nationals from countries other than Turkey must submit all the documents in Spanish. In some cases, if necessary, it could be applied to Turkish citizens once their file has been examined. Be sure to bring a photocopy and original of all documents. All documents issued by non-Spanish authorities must be translated into Spanish and duly legalized with the stamp of the Apostille of The Hague. It is important to note that the processing of this type of visa lasts around two weeks. It is essential that the applicant PERSONALLY comes to request and collect the visa.
