

## Language Assistant Program Comunidad Valenciana- Spain

The Language and Culture Assistant Program is an initiative of the Spanish Ministry of Education. The program is primarily devoted to candidates with a Bachelor's Degree, students in their final year of university studies, and teachers who want to retrain in Spanish, interested in Spanish language and culture.

The Assistants will spend a semester, January to June 2018, in Spain. All the positions offered are located at primary

schools in Comunidad Valenciana.

Its main objective is to provide the candidates (students, graduates or teachers with a native or bilingual English-speaking ability) with the opportunity to support teachers of English and subjects taught in English at primary schools in Comunidad Valenciana (16 hours a week). This program allows Spanish students the opportunity to get to know a new culture by interacting with English native or bilingual speakers.

The language assistants will receive a monthly stipend to cover accommodation expenses, (1000 euros a month), medical insurance and an orientation course on arrival. Transportation from and to the country of origin will depend on the selected candidates.
