

## Call for expressions of interest

### Reference: Technical assistance in participatory governance and territorial innovation for PASCAL/11/2021

The project *Support to Civil Society in Local Governance in Angola* (PASCAL) is seeking to contract a technical assistance in Luanda, Angola, specialized in participatory governance and territorial administration for the identification of needs and the development of an action strategy to achieve the specific objectives 1 and 2 of the project.

PASCAL is a delegated cooperation project funded by the European Commission and implemented by a Consortium of European agencies: Fundación Internacional y para Iberoamérica de Administración y Políticas Públicas (FIIAPP - Spain) and Central Project Management Agency (CPMA - Lithuania).

Interested candidates must upload their CV in [FIIAPP's platform](#) before November 9<sup>th</sup> to the attention of Alessia Bianco, [alessia.bianco@fiiapp.es](mailto:alessia.bianco@fiiapp.es).

**Closing date** | 9<sup>th</sup> of November, 2021 23:59 Angola time.

**Location** | Luanda, Angola.

**Sectors** | Participatory governance, decentralization, territorial innovation.

**Type of service** | Technical assistance.

**Duration** | 4,5 months, approx. November-March.

**Dedication** | approx. 25 hours per week.

**Profile of candidates** | Angolan or candidates with residence in Angola.

**Language** | Portuguese and English.

#### ABOUT THE ACTION

The overall objective of the Action "Support to Civil Society in Local Governance in Angola", with the total budget of 5.8 MEUR for the period of 2021 until 2025 is to contribute to economic growth and social development through an inclusive, heterogeneous and effective participation of civil society in the governance process. The components (specific objectives) of the Action are:

Component 1: To improve the legislative, regulatory and institutional framework for participatory governance.

Component 2: To enhance and increase the participation of civil society, particularly for groups that are underrepresented in decision making such as women and youth, in participatory governance platforms at national and provincial level, and in 25 municipalities.

Component 3: To increase the level of information and the awareness of citizens, especially women and youth, on their rights, the work of public institutions, decentralization and participatory governance.

## ABOUT THE ORGANISATION

Fundación Internacional y para Iberoamérica de Administración y Políticas Públicas (FIIAPP) is a public institution and actor of Spanish and European cooperation whose work is based on peer-to-peer exchange of knowledge and learning between public administrations of different countries. More information [here](#).

## SERVICES INCLUDED IN THE TECHNICAL ASSISTANCE

The technical assistance contracted will have to compile the necessary information to allow a base line to be established on which to articulate and develop an action strategy for components (specific objectives) 1 and 2 of the project. The following services are included:

- Review and analysis of national participatory governance policies and strategies, as well as existing platforms of participation in selected provinces and municipalities.
- Assessment of needs and expectations of national and local counterparts.
- Data collection and systematization.
- Revision of the PASCAL proposal and adjustment of activities that are not considered relevant in coordination with the project team.
- Elaboration of an action strategy and a work methodology aimed at achieving objectives 1 and 2 of the project for the implementation phase.
- Coordination, mediation and follow-up with local counterparts.
- Coordination with the rest of the team in the project office in Luanda and in the support offices in Madrid and Vilnius.

## REQUIREMENTS

- Higher university degree.
- Professional experience of at least 3 years in decentralization processes, participatory governance and territorial innovation (employment contracts or service certificates could be requested).
- Professional experience of at least 5 years in the coordination of international cooperation for development projects (employment contracts or service certificates could be requested).
- Level of English B2.

## HOW TO APPLY

- Before November 9<sup>th</sup>, upload CV in pdf format in [FIIAPP's platform](#) for the delivery of personal data in compliance with data protection policies, to the attention of Alessia Bianco, project manager of PASCAL.

- Any inquiries can be addressed to Alessia Bianco by e-mail [alessia.bianco@fiiapp.es](mailto:alessia.bianco@fiiapp.es).

**DIVERSITY AND EQUAL OPPORTUNITIES:** This call for applications will take into account the principle of equal treatment between women and men with regard to access to employment, in accordance with Article 14 of the Spanish Constitution, Organic Law 3/2007, of 22 March and the Council of Ministers Agreement of 20 November 2015, which approves the Second Plan for Equality Between Women and Men in the General Administration of the State and in its Public Bodies.
