

From 00:00 of May 24th, travelers from United Kingdom will be allowed to freely enter Spain for **non-essential purposes**, such as tourism, and stay in Spain without a visa for a maximum period of 90 days within 6 months. (<https://www.boe.es/boe/dias/2021/05/21/pdfs/BOE-A-2021-8449.pdf>)

From May 24th, travelers from the United Kingdom **will NOT need to present negative COVID-19 test certificate (PCR)**, as long as they have remained in the UK in the last 14 days.

Should you have visited other countries during this period, a PCR might still be required when you arrive in Spain. Please, check rules concerning third countries at the following link: <https://www.mscbs.gob.es/en/profesionales/saludPublica/ccayes/alertasActual/nCov/spth.htm>

It is mandatory for all residents in the United Kingdom travelling to Spain (including children of all age) to **fill in a Health Control Form** (FCS). You can download the form in the following link: <https://www.spth.gob.es/>

Please, be aware that the visa framework established as a consequence of Brexit, remains in force and therefore British citizens will still need a visa for purposes other than tourism, such as carrying out professional activities in Spain. Please, carefully check regulations at the following link before travelling: <http://www.exteriores.gob.es/Portal/en/ServiciosAlCiudadano/InformacionParaExtranjeros/Paginas/Inicio.aspx>
