Instructions:

A doctor (MD) must exam you and determine if you are in good health **according to the International Health Regulation (2005)**.

This PDF file can be sent electronically in order to be printed out on the doctor's letterhead paper. The doctor may also use this sample as a guide to write their own certificate.

After conducting the medical exam and according to **International Health Regulations 2005**. The **doctor** should then print out, **sign, date and stamp** the Medical Certificate.

Make sure your name is filled out in both the Spanish and English portions.

Bring the **original** Medical Certificate **and** a **photocopy** to your visa application appointment, so the visa department will seal and return your original document so that you can later present it in Spain.

Remember that the exam and medical certificate must specifically address that is according the **International Health Regulations (2005)**.
