

Guía para actualizar tu nuevo documento de identidad a tu ‘settled status’ o ‘pre-settled status’

Para los ciudadanos de la UE, la prueba del ‘settled status’ o ‘pre-settled status’ es en **formato digital** a través de un perfil online. El permiso de residencia se vinculará también al pasaporte o Documento de Identidad utilizado para la presentación de la solicitud.

Cuando el ciudadano actualiza el pasaporte o DNI que utilizó para presentar la solicitud, será necesario facilitar los detalles del nuevo documento al Home Office para que el nuevo documento se vincule al permiso de residencia.

A continuación, te explicamos como llevar a cabo dicha actualización:

View and prove your immigration status

If you have been told you can view your immigration status online you can use this service to:

- get a ‘share code’ to prove your status to others, for example employers
- update your personal details, for example your passport number or email address
- check what rights you have in the UK, for example the right to work or claim benefits

Who can use this service

You can use this service if you:

- have settled or pre-settled status
- applied for a visa and used the ‘UK Immigration: ID Check’ app to scan your identity document on your phone

You cannot use this service if you have a vignette in your passport or a biometric residence permit to prove your immigration status. There’s a different service for you to [prove your right to work](#) to an employer.

View or prove your immigration status

You’ll need:

- details of the identity document you used when you applied (your passport, national identity card, or biometric residence card or permit)
- your date of birth
- access to the mobile number or email address you used when you applied - you’ll be sent a code for logging in
