in relations with third countries, and (4) the EU becoming a stronger and more visible global actor in the areas of migration and security.

### **Job Presentation (We propose)**

We propose a SNE post attached to DG HOME and deployed in a EU Delegation.

Overall purpose: to step up coordination to maximize the impact of EU action on migration in third countries and to enhance the engagement of key countries of origin and transit on the entire spectrum of migration issues. The EMLOs will also contribute to the implementation of the bilateral and regional cooperation frameworks on migration.

The actual mandate of each of the EMLO will be adapted to the specific situation of the hosting third country, in particular the migratory and security challenges there and the level of its cooperation with the EU. He/she will be under the direct supervision of the Head of the Political Section and the general supervision of the Head of Delegation. He/she will be based in the country (in the EU Delegation) and will be required to travel in the country and in the region, where necessary. The post in Tunisia has a regional mandate for Tunisia and Libya.

He/She will contribute to identifying challenges and needs in both strategic and operational terms and share these with the Commission, the EEAS, the Council and the relevant EU Agencies, in particular for purpose of risk analysis developed by Frontex and investigations at EU level supported by Europol.
