Entity Presentation (We are)

Unit A3 is responsible for the modernisation, harmonisation and co-ordination of company law and corporate governance at EU level. Its mission is to contribute to enhancing the competitiveness of the European businesses whilst ensuring due protection of their stakeholders and sound risk management. Our work is notably about enabling the cross-border mobility of European companies, promoting the use of digital tools and processes, strengthening the corporate governance and promoting sustainable business models. The unit works currently in three teams, namely one focused on company law, another one on corporate governance in general and the third one on corporate governance and remuneration in financial institutions (banks and investment firms). We are a highly motivated and cohesive - though culturally diverse - unit, with a passion for our policy areas, enjoying a friendly, respectful and enabling team atmosphere.

Job Presentation (We propose)

We look forward to welcoming a new colleague in the company law team, who will play an active role in developing policies (and potentially legislation), in monitoring transposition and implementation of EU company law directives in the Member States, and participate in the inter-service work within the Commission. Relevant tasks will in particular include policy research and legal analysis, legal drafting, procurement and contract monitoring (mainly for outsourced legal studies in the context of transposition checks), and working with other Commission DGs/services, EU institutions, national authorities, legal professionals, private sector and other stakeholders in the policy fields covered by the unit.

Jobholder Profile (We look for)

We are looking for the secondment of a motivated and dynamic individual, with a legal background and a track record in company law or related fields, eager to join a highly professional team, able to work in a proactive manner both autonomously and as part of a team. The job requires good organisational, inter-personal and collaborative working skills, as well as some knowledge of the EU legislative processes.

The successful candidate should have very good communication and drafting skills and an excellent command of English.

Eligibility criteria

The secondment will be governed by the **Commission Decision C(2008) 6866** of 12/11/2008 laying down rules on the secondment to the Commission of national experts and national experts in professional training (SNE Decision).

Under the terms of the SNE Decision, you need to comply with the following eligibility criteria at **the starting date** of the secondment:

- **Seniority:** having worked for at least one full year (12 months) with your current employer on a permanent or contract basis.
- **Employer:** must be a national, regional or local administration or an intergovernmental public organisation (IGO); exceptionally and following a specific derogation, the Commission may accept applications where your employer is a public sector body (e.g., an agency or regulatory institute), university or independent research institute.

If you come from a third country, you must produce evidence of a thorough knowledge of the EU language necessary for the performance of his duties.

Conditions of secondment

During the full duration of your secondment, you must remain employed and remunerated by your employer and covered by your (national) social security system.

You shall exercise your duties within the Commission under the conditions as set out by aforementioned SNE Decision and be subject to the rules on confidentiality, loyalty and absence of conflict of interest as defined therein.

In case the position is published with allowances, these can only be granted when you fulfil the conditions provided for in Article 17 of the SNE decision.
